- The current two officers in the Field Evaluation Program are projected to complete the training program mid-July.
- *The department conducted interviews during the month of June to fill two sworn officer vacancies. There have been two candidates selected, one hired in June and the second projected to start in July, and they will attend the Basic Law Enforcement Academy starting in August.

Department Highlights

- The department integrated a web-based program to unify the community programs and provide easier access to the officers and the public. The portal to these programs is available on the department's website, <https://shorturl.at/mxBC1>, and through the Community Club's member website under "My Community/Public Safety/Police Department." The programs consist of the vacation watch program, key hold program, and the at-risk resident/"Silver Alert" program.

This software does not eliminate the paper forms should residents wish to submit their information via contact cards. Previously submitted information has been entered into the new software program.

Vacation Watch Program

The Vacation Watch Program is offered to residents of the Fairfield Glade Community. The program is designed for those who leave for an extended period of time, more than three (3) days, and would like their property to be checked. Members of the Fairfield Glade Police Department will make periodic checks on the property and will contact the homeowner of any suspicious or concerning issues.

Keyholder Program

The Keyholder program is designed for residents that reside within the Fairfield Glade Community to provide the Fairfield Glade Police Department with a key or code to access their residence in the case emergency entry is necessary. The ability to have accessibility to a residence in an emergency will prevent first responders from having to break a door or window and will allow first responders to provide emergency service quicker to the patient/victim. The homeowner's information can be submitted on the online form, but a key will still be required to be dropped off at the Fairfield Glade Police Department.

At-Risk Resident Program

The At-Risk Resident Program is designed for residents who reside within the Fairfield Glade Community and who would be at risk if missing due to a pre-existing health condition, dementia, or any other intellectual, developmental, or physical disability. This program is also designed to provide information to first responders of a resident who may have difficulty with communication if contact is made by a law enforcement officer. This program is imperative to provide first responders with essential information about the missing person to expedite the search and rescue process. This program is for residents of all ages.
